A SURPRISE DINNER

Mr. and Mrs. B. F. Lee entertained at dinner Friday evening at their home on Magazine street. The dinner was in honor of Mr. J. C. Searle Jr., who will be married in the near future to a charming Los Angeles girl, Miss Ethel Rees. Mrs. Lee planned it so that when Mr. Searle arrived home he found no dinner cooked at his house and his cook gone. Mr. Searle and his two charming sisters live in the adjoining apartment of the Lees, and, hearing Mr. Searle say he would go in town for his dinner, both Mr. and Mrs. Lee insisted that he dine with them.

Mr. and Mrs. Lee's guests were: Mr. J. C. Searle, the honored guest; Miss S. Searle; Col. A. Coyne, Miss Jessie Searle, Capt. C. Searle, Honolulu Military Academy; Cpl. T. Searle, H. M. A., and Master Benjie Lee.

teen days' time simply by taking iron in the proper form, and this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the fray, while many another has gone down to inglorious defeat simply for the lack of iron.

NOTE—Nuxated Iron recommended above by Dr. Sauer, is one of the newer organic iron compounds. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach; on the contrary, it is a most potent remedy, in nearly all forms of indigestion, as well as for nervous, run-down conditions. The manufacturers have such great confidence in Nuxated Iron that they offer to forfeit \$100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 200 per cent or over in four weeks' time provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in this city by Hollister Drug Co., Benson Smith & Co., Chambers Drug Co. and all other druggists. Adv.

Take Iron, Says Doctor, if You Want Plenty of "Stay There" Strength Like an Athlete!

Ordinary Nuxated, Iron Will Make Delicate, Nervous, Run-down People 200 per cent Stronger in Two Week's Time.

NEW YORK, N. Y.—Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. Sauer, a well known specialist who has studied widely both in this country and Europe, when, as a matter of fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what, so they generally commence doctoring for stomach, liver or kidney trouble or symptoms of some other ailment caused by the lack of iron in the blood. This thing may go on for years, while the patient suffers untold agony. If you are not strong or well, you owe it to yourself to make the following test. See how long you can work or how far you can walk without becoming tired. Next take two three grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were silling all the while, double and even triple their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to four-

TALK NUMBER FOUR

Kuhio Promises to Stay on Job

I feel greatly elated over the fact that the voters of this Territory have seen the good which can be accomplished by voting the straight Republican ticket.

The overwhelming Republican vote which was cast today shows that the voters of Hawaii have awakened to the fact that "Good Government" can only be accomplished by electing Republicans to office.

Personally, I appreciate the confidence that the voters have shown in me. I assure them and those who did not vote for me that I will be in Washington attending to my duties all of the time—in other words, "I'll be on the job" all of the time, working for the best interests of Hawaii nei. Hawaii has a great future. It is up to those who were elected today to make this possibility a reality.

(Signed) J. K. KALANIANA'OLE.

The above letter from Kuhio appeared in the Advertiser Wednesday, November 4, 1914—just after the last election. Perhaps you voted for Kuhio at the last election. Has he carried out his promise to you and to the people of Hawaii? You now know what he has done; you now know what he will do if you help elect him again. The Democratic candidate, if elected, will be the representative of all the people and he will stay on the job. L. L. McCandless invites your support in the coming election. Why not send him to Washington this time?

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious Give "California Syrup of Figs"

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."—Adv.

COCKROACHES IN THE KITCHEN

How to Exterminate These Pests That Spoil the Food.

Nothing is more repulsive to the neat housewife than to see cockroaches crawling around the kitchen, pantry or closet, spoiling food and injuring clothing. The easiest and most effective way to completely exterminate them is with Stearns Electric Paste, the deadly foe of rats, mice, cockroaches, water bugs and all vermin.

Get a two-ounce box of Stearns Electric Paste from your druggist for 25 cents and use it at night as directed, and in the morning sweep up a painful lot of dead cockroaches. Directions in 15 languages in every package.—Adv.
